Subject: Private School Busing – 2017-2018

In 2017-2018, private school busing will be provided to Homestead and New Life. Both schools have students who qualify for busing.

Last year, Sussex Christian requested transportation and did not have qualifying students. In accordance with NYSED law, the students were granted transportation for 2016-17 (at a centralized location) and notified that unless a student qualified in 2017-18 transportation would not be granted. No requests have been received.

This year, Mount Carmel students face similar circumstances as Sussex Christian Transportation was provided in 2016-17. No students qualify in 2017-18. Based on last year's practice, I recommend offering 2017-18 transportation from the only qualifying centralized location (HBE) and if no student qualifies in 2018-19, the transportation will not be provided.

I have attached the NYSED advisory.

I await board direction.
