

PORT JERVIS CITY SCHOOL DISTRICT

2017–2018

DISTRICT GOALS

- Over the next eighteen months, develop and present a building project to the Board of Education and taxpayers to address the aging Middle School and Administration Offices.
 - instructionally sound
 - fiscally responsible

- Commence a three-year plan to review and revise Curriculum Maps, inclusive of benchmarks, formative assessments, and resources.

- Expand the use and efficacy of instructional technology modalities.

- Expand the use of data analysis to drive instructional planning and practices.

- Maintain fiscal stability.
