

September 11, 2017

The Senior Class is respectfully requesting Board approval for the Disney World Trip of 2018. We, the advisors, (Miss Scudieri, Miss Gibson, Mr. Leonard) have been arranging the details since last May. The following trip itinerary is complete except for the selection of the "YES" Program which is still being negotiated by the travel agent. We have tentatively planned for a group of 80 students and the first parent meeting on September 12th should provide a more precise count. Thank you for all the support you provide for our students.

Sincerely,

Miss Scudieri

Miss Gibson

Mr. Leonard
