August 10, 2016

Dear Committee Members:

As requested at the last meeting, Mr. Preiss and I have reviewed the archived records for documents related to the 18 month building study that concluded in 2012.

A book that includes six options and comprehensive detail has been located.

The six options were:

- 1A New Middle School on Existing Site without New Fields
- 1B New Middle School on Existing Site with New Athletic Complex
  
- 2A New High School on Existing Middle School Site without New Fields
- 2B New High School on Existing Middle School Site with New Athletic Complex
  
- 3 New Middle School on Deerpark Site
  
- 4 New High School on Deerpark Site

Each section of the book, for each option, includes narratives for:

- Structure
- HVAC
- Plumbing
- Fire Protection
- Electric

Additionally, approximately six to eight comprehensive drawings are included in the detail for site and building for each option.

Eight copies of the book are being printed. Members will be allowed to sign out the book, review and return so other members can review the studies.

Sincerely,

Lorelei Case  
Assistant Superintendent for Business
